Title: Statement of taxable portion of premium for the Insurpak plan.

The Insurpak group benefit program provides a combination of insurance products for a single lumped cost. The cost is dependent on the family status of the employee and is:

Family Employee: \$39.99 / Month
Single Employee: \$29.99 / Month

The portion of the monthly premiums that should be deemed as a taxable benefit to the employee consists of Life Insurance, Accidental Death and Dismemberment, and Critical Illness and is summarized:

Family Employee: \$28.54 / Month
Single Employee: \$24.79 / Month

The portion of the monthly premiums that should not be deemed as a taxable benefit to the employee consists of Travel Emergency Medical and Excess Medical Costs and is summarized:

Family Employee: \$11.45 / Month
Single Employee: \$5.20 / Month
